Technical drawing of a rectangular metal plate. The overall dimensions are 363 mm in width and 578 mm in height. The width is divided into three sections: 105 mm on the left, 363 mm in the center, and 105 mm on the right. The height is divided into three sections: 20 mm at the top, 42 mm at the bottom, and 150,5 mm in the center. The plate has four mounting holes, each with a diameter of $\phi 25$, located at the corners. There are also four smaller holes, each with a diameter of $\phi 10$, located at the center of each long side. The distance from the center of the plate to the center of the $\phi 10$ holes is 12,5 mm. The distance from the edge of the plate to the center of the $\phi 10$ holes is 25 mm. The plate is shown with a top view and a side view. The side view shows a thickness of 8 mm. The text "4 отв." (4 holes) is written near the $\phi 10$ holes, and "8 радиусов" (8 radii) is written near the $\phi 25$ holes.
